

The Rule of the Power of Five

Problem (Learning) Statement:

(Optional: List 5 problems and pick the most important one)

5 Things I know already about this:

5 Questions I have about this:

5 Resources that could help (people and information):

5 Possible decisions that I need to make based on the above:

Action Plan What will I commit to do in the next 5 minutes, 5 hours, 5 weeks, 5 months, 5 years...

Reflection, lessons learned, next steps, then repeat process:
